

First Mental Arithmetic Teacher's Guide

By Ann Montague-Smith

Schofield & Sims Ltd. Paperback. Book Condition: new. BRAND NEW, First Mental Arithmetic Teacher's Guide, Ann Montague-Smith, First Mental Arithmetic provides graded questions that develop children's essential maths skills. A downwards extension of the bestseller Mental Arithmetic, it comprises three books for Year 1 (Books 1 to 3) and three for Year 2 (Books 4 to 6). Books 4 to 6 are also suitable for some older children. All the books are ideal for one-per-term use, and may be used flexibly for individual, paired, group or whole-class maths practice, or maths recovery or homework. Separate books of answers are available and a table enabling you to obtain an indication of a child's National Curriculum level, using his or her average First Mental Arithmetic session score, may be downloaded from this website. With accessible text and maths glossaries to consolidate children's understanding, First Mental Arithmetic encourages a disciplined approach to maths. The later books provide Achievement charts, which help children to monitor their own progress, together with more intensive practice that prepares them for Key Stage 2. Through the series, Check up tests enable you, the teacher, to ensure that each child has mastered core concepts. First Mental Arithmetic Teacher's Guide...

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

-- **Mr. Grant Stanton PhD**

A whole new eBook with an all new standpoint. It is actually rally fascinating throug reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).
