Eric Eglund, United States, 2007. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Iraq War Veteran: The Troops Need You, America. New book by military officer details how Americans can help US win in Iraq. A veteran of the Iraq War has written the first book to present an action plan for the American people to help our troops win. The book, already praised by military leaders and a member of the Iraq Study Group, is scheduled for release on March 14th-the week before the fourth anniversary of Operation Iraqi Freedom. Americans want to contribute to victory but do not know how, said Major Eric Eglund, author of THE TROOPS NEED YOU, AMERICA: Six Ways to Help Them Win From Your Living Room [Jericho Group, March 14th, 2007: \$19.95]. Now there is a plan of action that comes from the troops themselves. It empowers every American to support victory in Iraq. As casualties rise and public patience for the status quo falls, it is clear that mission success requires change, Major Eglund stated. The conflict remains highly localized, though, so it is the troops who know what needs to change-not politicians in Washington or even generals in the field-and only the American people can make it happen. Until today, many Americans believed their support was limited to prayers, care packages and bumper stickers, explains Eglund. Now soldiers on the ground are inviting citizens to do far more. The plan distills the grass-roots wisdom of hundreds of troops and supporters, from combat innovators to citizen activists.
