Brand New Book ***** Print on Demand *****.Excerpt from Letters to the Directors and Proprietors of East-India Stock: And to the Right Honourable Edmund Burke If the Legislature should think proper to deprive us of the services of Mr. Hastings, we must of course submit; but let us not remove such a man ourselves without the clearest conviction of the wisdom and expediency of the measure. - The Swallow packet is fortunately arrived: me will bring in a complete relation of the affair of Benares: she will bring down the transactions in Bengal to the commencement of the present year. Let the dispatches be coolly and considerately read: let Mr. Hastings s merits be impartially considered - let the character of his intended successor be fairly canvassed; and then let us come to a determination upon a point, in which not only our future welfare, but our very existence will depend. I am, Gentlemen, Your most obedient humble servant, An-Independent Proprietor. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
