PLAYING THE PIANO FOR THE REST OF US.: HOW TO PLAY CHORD MUSIC ON THE PIANO.

Victor Aramanda, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.For Beginners. No Reading Sheet Music Required! Playing the Piano for the rest of us is a course created for people who want to play the piano without having to commit to years of study and practice before being able to play songs they really want to. Finally a piano course for people who want to play with other musicians without having to learn to read sheet music, to enjoy themselves or be included in groups, like church groups or bands, or just friends and family. Most of the piano instruction I have seen falls into two categories. it s too hard, so you quit, or, it doesn t teach enough foundational skills and knowledge so the only thing learned is how to play songs that the course taught. I like the saying, Give a man a fish, feed him for a day. Teach him to fish, feed him for a lifetime. This course hopes to be part of the latter, for people who want to play and enjoy the piano or keyboard. Many existing courses teach too much at once like classical piano finger-skills, music theory and how to read sheet music. Students often get lost and discouraged somewhere between reading sheet music and having too hard of a time getting their hands to work together, others teach a set of playing skills that allow the student to play a limited amount of songs or music, but no freedom to find and play what the student really wanted to in the first place. Classical training is fantastic, but can often times be overkill for people who want to accompany others or want to play and /...
