CHERRY BLOSSOM AND OTHER STORIES

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.The important moments in life are as fleeting as cherry blossom. Love and family are just as ephemeral. In Cherry Blossom, Ambrose discovers that his quest for immortality brought him more than he bargained for. Can he find a way out of his prison of solitude? In But For Snow, Tundra has finally found the wolf that s been missing from her magical dreams of snow. Now she has to learn what it really means to love something. In contrast, Guiro in Alone must find a way to say goodbye to those he loves before his soulbond kills him and his family. When Abbi the Labrador learns that the vet can t cure her best friend, the rabbit Zac, she s horrified. But that s nothing to what she feels when he reveals to her that she will be the one to end his life, in A Final Request For Mercy. In The Day The Dog First Called, Natalia is the only one who can see the cobwebs plain as day, festooning her house, encroaching on her mind. No one else will believe they are there - until the dog comes to call. And in Jellybeans, a woman learns that sometimes even a jar of jellybeans can reveal deep truths about your relationship. A collection of literary fantasy stories - contemporary themes laced with magic. And of course, a couple of canines.
