Brand New Book ***** Print on Demand *****.Giulio Caruso grew up in an environment where he was expected to end up like everyone else-not getting any further than high school, getting into trouble, maybe ending up in jail. But he refused to believe those were his only choices. After finding a way out of Brooklyn and finding his calling as a chiropractor, Giulio made a successful life himself with his own practice and found himself with three sons. A Head Start began as a book for his three boys, to give them the advice Giulio wished he had received from his father to help him navigate a tough neighborhood. But this book is not merely good advice for kids at risk. Giulio s story will inspire anyone who wonders, How can I create a successful life? The wisdom in this book is not new, it s perennial. But it works, and Giulio Caruso s life is living proof.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
