HIDDEN SECRETS OF GOD S ECONOMY

Xulon Press, United States, 2008. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Radically transform your financial position in life to one of abundance and prosperity by discovering the hidden financial secrets of God s economy. After receiving revelation from the Lord in October 2006, I discovered why I wasn t prospering as promised in the Bible. My beliefs were based upon my personal experiences rather than the word of God. I discovered I wasn t using all the talents that God created within me. These hidden talents are the seeds to our financial and business success. The Lord revealed to me that I should be living in God s economy of abundance and that my finances are not meant to be tied to the world s economic system. I was challenged to transform the way I think and learn to apply the principles of abundance in generating a 30-fold, 60-fold and 100-fold return. Once my eyes were opened to this revelation the Lord began to reveal opportunities to me. For further details visit my web site at Lou Galloway lives in Hobart, Australia with his wife Sandra.
