

## Burrard Inlet

By Tyler Keevil

Parthian Books, United Kingdom, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book. Burrard Inlet is the body of water that divides Vancouver's North Shore from the rest of the Lower Mainland. In this collection of award-winning stories, Tyler Keevil uses that rugged landscape as a backdrop for characters who are struggling against the elements, each other, and themselves. A search-and-rescue volunteer looks for a missing snowboarder on Christmas Eve; two brothers retreat to the woods to shoot a film in memory of their dead friend; a reclusive forestry worker picks up a hitcher on his way down Mount Seymour; a young man finds a temporary haven on the ice barge where he works. Written in a lean, muscular style, these are stories awash in blood and brine, and steeped in images of freedom and confinement. Within that narrative framework, Burrard Inlet becomes more than a geographical location: it is a liminal space, a boundary and a barrier, a threshold to be crossed.

### Reviews

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*

*This kind of book is every little thing and taught me to look ahead of time and a lot more. I am quite late in starting reading this one, but better than never. I found out this book from my dad and I encouraged this pdf to find out.*
