

## Trade-Off: Why Some Things Catch On, and Others Don't

Filesize: 6.05 MB

### **Reviews**

*It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.*

*(Dr. Kayden Gerlach)*

Bantam Doubleday Dell Publishing Group Inc, United States, 2010. Paperback. Book Condition: New. 198 x 130 mm. Language: English . Brand New Book. A Fresh and Important New Way to Understand Why We Buy Why did the RAZR ultimately ruin Motorola? Why does Wal-Mart dominate rural and suburban areas but falter in large cities? Why did Starbucks stumble just when it seemed unstoppable? The answer lies in the ever-present tension between fidelity (the quality of a consumer s experience) and convenience (the ease of getting and paying for a product). In Trade-Off, Kevin Maney shows how these conflicting forces determine the success, or failure, of new products and services in the marketplace. He shows that almost every decision we make as consumers involves a trade-off between fidelity and convenience-between the products we love and the products we need. Rock stars sell out concerts because the experience is high in fidelity--it can t be replicated in any other way, and because of that, we are willing to suffer inconvenience for the experience. In contrast, a downloaded MP3 of a song is low in fidelity, but consumers buy music online because it s superconvenient. Products that are at one extreme or the other--those that are high in fidelity or high in convenience--tend to be successful. The things that fall into the middle--products or services that have moderate fidelity and convenience--fail to win an enthusiastic audience. Using examples from Amazon and Disney to People Express and the invention of the ATM, Maney demonstrates that the most successful companies skew their offerings to either one extreme or the other--fidelity or convenience--in shaping products and building brands. From the Hardcover edition.
