Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Hand Book of General Instruction for Mechanics: Containing Useful Rules and Memoranda for Practical Men The primary object of the author in writing this book is to give the mechanic, who has not had educational advantages, a text-book explaining established rules for calculating in a clear, simple, and concise way, making him familiar with the various technical terms and their meaning, and to be in general such a course of instruction as to impart, in a simple manner, the required knowledge to enable him to read understandingly more advanced scientific works. In writing the book, no attempt has been made to limit the language to the rigid brevity of the average text-book on mathematics and physics, a very free style being used which will be more acceptable to the general reader.
