THE SUPREME BEING

Outskirts Press, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I began my quest for the Supreme Being over 2000 years ago. I was a famous conqueror in that life. I loved only one thing then: myself. Life gave me one success after another, and I thought I would conquer eternity. I was seen as the favored of the gods. In the end came the encounter with Truth. I was humbled by death. My eyes opened. I realized there is a Supreme Reality that no one can conquer. I surrendered to it. The quest for the true began in me. I lived many lives after that in this quest. I meditated in complete devotion, spent many hours in introspection, explored the mysteries of Creation, reasoned, surrendered to Great Masters and received guidance and blessings. Finally the Supreme Being revealed itself. I awakened to the Supreme Reality. I found the ultimate freedom and joy. This book was revealed during my experiences with the Supreme Being. The purpose of the book is to reveal about the Supreme Being and the Supreme Reality. It will remind the Self about its original quest. After reading it, no Self can be the same again -- no Self can avoid falling in love with the True Reality. It shares about the true relationship of the Self with the Supreme Being, as well as about the purpose of life, bondage of the mind, the path to experience the Supreme Being, and true living. Knowing the Ultimate has remained the innermost quest of every human being since the beginning: Mystics, Philosophers, Emperors, Kings, Conquerors, Scientists, Explorers and Discoverers all wanted to arrive there. The mind cannot come to rest without this knowledge. Deep within, we...
