Reviews

This publication is very gripping and intriguing. It is among the most awesome book we have go through. You can expect to like how the author compose this book.

(Dr. Malika Bechtelar II)

ARTIFICIAL EVOLUTION: 4TH EUROPEAN CONFERENCE, AE99 DUNKERQUE, FRANCE, NOVEMBER 3-5, 1999 SELECTED PAPERS

Springer. Paperback. Book Condition: New. Paperback. 291 pages. Dimensions: 9.2in. x 6.0in. x 0.5in. The Artificial Evolution conference was originally conceived as a forum for the French-speaking Evolutionary Computation community, but has of late been acquiring an European audience, with several papers from Germany, Austria, Italy, Spain. . . However, AE remains as intended a small and friendly gathering, which will continue to be held every two years. Previous AE meets were held in Toulouse, Brest, and N mes. This year, the hosting was done by the LIL (Laboratoire d'Informatique du Littoral) in the not-so-cold city of Dunkerque. The invited talk on Fitness Landscapes and Evolutionary Algorithms was delivered by Colin Reeves of Coventry University. This volume contains a selection of the papers presented at the conference. Twenty-seven papers were presented orally at the conference, selected from over 40 papers refereed by the program committee. After the conference, each presentation was reviewed and 20 papers were retained and revised for publication in this volume. The papers in this volume have been grouped into the following sections which more or less reflect the organization of the oral presentations. 1. Invited Paper: C. Reeves brightly describes the state of the art in Fitness Landscapes. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
