## MOTIVATING YOUNG PEOPLE: TO SUCCEED IN THE CHRISTIAN LIFE

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Did you know that many things we do, for instance, going to good schools, making money etc. are designed for us to survive here and now; but knowing God and serving Him through Jesus is for us to live victoriously now and in eternity? This book is written to challenge Christian parents, guardians, Sunday School teachers, youth workers and everyone working with children; to consciously and passionately train the young people in the way of the Lord. Christian adults have a mandate from Jehovah God to train their young to be godly. Start children off on the way they should go, and even when they are old they will not turn from it. (Proverbs 22:6 - NIV). In this book, you will find some tips on ways to get our young people inspired to know and serve the Lord, through impacting the knowledge of the God who is interested in every part of their lives. In recent times, we hear a lot of disheartening things about how young girls go missing, with some of them willingly going away to join the radicals, while others are deceitfully taken away. Young men, irrespective of their religious background, become terrorists as they become brainwashed with erroneous teachings. As Christian adults we must not relent in our effort to train the young people to receive Jesus and serve God, through Him. We have got to be proactive in raising the next generation of Christians, who will be strong in God and cannot be easily deceived by erroneous teachings.
