TRICKSTER TRE

Dog Ear Publishing, United States, 2012. Paperback. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.When Tre was not able to play outside, he creates a fun day of playing tricks on everyone. He played tricks on his brother Lee, his brother Ned, his sister Clair and his mommy. None of his family members were happy about the kind tricks Tre chose to play on them. Tre quickly finds out that mixing tricks with telling lies can lead to distrust and disbelief. Along with my wife, I have twenty five years experience of raising our five children. With this experience, I learned that each child had their own unique personality, needs and learning requirements. I've always believed that learning was an absolute necessity for the development of our children. As a teacher for my own children, I found that each of my children learned different things in different ways. As a father and teacher, I had to adapt to each of those different ways to ensure each child learned the same life lesson and even though I taught them differently, the lessons resulted in the same learning objective. I truly believe that knowledge is power and having this power offers a child a sense of control and by giving a child his or her own responsibilities, not only gives them this sense of control but also establishes a sense of self worth and accomplishment. Writing for children has always been a desire of mine since the birth of our first child. I plan to continue writing children's books and adding more book titles to my Tre lessons book series. I currently reside in Virginia with my wife, children and grandchildren.
