

## The Book of Broken Promises: \$400 Billion Broadband Scandal Free the Net

Filesize: 6.79 MB

### ***Reviews***

*Definitely among the best book I have possibly read. I have study and i am sure that i will going to go through once more once more later on. Your lifestyle span is going to be convert when you full looking at this publication.*

*(Prof. Damon Kautzer III)*

## THE BOOK OF BROKEN PROMISES: \$400 BILLION BROADBAND SCANDAL FREE THE NET

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.With the FCC s Net Neutrality decision, (and the legal challenges to follow), The Book of Broken Promises emerges to expose the sad truth about communications services in the U.S and delivers a fact-based history of broadband in America that you were never told about. The third book in a trilogy spanning 17 years, senior telecom analyst and industry insider Bruce Kushnick lays out, in all of the gory details, how America paid over \$400 billion and counting, to be the first fully fiber optic-based nation yet ended up 27th in the world for high-speed Internet. While over four million people filed with the FCC to Free the Net , one thing is abundantly clear- You know something is terribly wrong. Every time you pay your bills you notice that the price of your services keeps going up, you don t have a serious choice for Internet (ISP), broadband or cable service, or maybe you can t even get very fast broadband service. Broken Promises is not just about broadband, Net Neutrality, or some cautionary tale. It reveals new damaging facts about the underbelly of our communications providers, ATT and Verizon, not to mention the cable companies, and why it s time to restructure communications if we want the future we paid for. Most importantly, Broken Promises answers a fundamental question: How did we get into this mess and what can we do to fix it today? And don t worry; all of this jargon will be explained in plain English. First, Broken Promises thoroughly documents the failure to upgrade America s networks. Starting in the 1990 s, the companies asked state regulators to grant rate increases and...
