Wild Sri Lanka

By Gehan de Silva Wijeyeratne

John Beaufoy Publishing Ltd. Hardcover. Book Condition: New. Hardcover. 208 pages. Dimensions: 10.9in. x 8.8in. x 0.9in. Sri Lanka has one of the highest species densities in the world including a number of endemic plants and animals. Unusually for a moderately sized island it also has large mammals. It is one of the best places in the world for seeing and photographing Blue Whales, Sperm Whales, Leopards, Asian Elephants and Sloth Bears, dubbed Sri Lankas Big Five. It also has the largest annually recurring Gathering of wild elephants of anywhere in the world; a truly spectacular event. This book brings together all of Sri Lanka's top wildlife stories, many of which have come to light only in the last few years. Further chapters detail wildlife watching opportunities for primates, birds, reptiles, turtles, butterflies and dragonflies; a description of the parks and reserves by habitat type; and a wildlife watching calendar to help plan a trip. Throughout the book there are extracts from A Naturalists Journal which in the form of a first person commentary take readers to specific habitats in search of the animals to be found there. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La...

Reviews

The publication is fantastic and great. It really is basic but shocks from the 50 percent from the ebook. Its been written in an remarkably easy way in fact it is only soon after i finished reading this ebook in which really changed me, alter the way in my opinion.
