Filesize: 7.6 MB

Reviews

Basically no phrases to describe. I was able to comprehend everything out of this published ebook. You can expect to like the way the author compose this ebook.

(Mrs. Novella Will)

Princeton University Press, United States, 2016. Paperback. Book Condition: New. 235 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.Taking as its chronological and geographical limits the period and area of Anglo-Saxon domination, this study provides a guide to the Latin literature that existed alongside the vernacular. It does so through a chronological survey of known works, based on a thorough examination of documents and of modern scholarship. It includes ample illustrative quotations, with accompanying English translations, and the forms associated with individual (although sometimes anonymous) writers, the histories, biographies, letters, poetry, treatises, and some liturgies. An important feature of the book is the very full bibliography, which is keyed to the text discussions. Originally published in 1967. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These paperback editions preserve the original texts of these important books while presenting them in durable paperback editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
