Reviews

This written publication is wonderful. It is probably the most incredible publication i actually have read through. Its been written in an extremely basic way in fact it is merely following i finished reading this publication where basically transformed me, alter the way i believe.
(Adan Fritsch)

COIN FINDS IN BRITAIN: A COLLECTOR'S GUIDE

Shire Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Coin Finds in Britain: A Collector's Guide, Michael Cuddeford, Over the centuries Britain's soil has yielded countless spectacular hoards of ancient coins and other artefacts, affording us priceless insights into our ancestors' lives - and it is not only such large finds that await discovery but also many thousands of individual pieces. Wonderfully, discoveries both minor and momentous are frequently made not by teams of professionals but by amateur archaeologists and metal-detector enthusiasts, for whom this book is intended as a helpful companion. It provides a catalogue of commonly encountered coins, dating from ancient times until the modern day, explaining their historical context, how they might have come to be lost and where they may be found today.
