

2052: A Global Forecast for the Next Forty Years

By Jorgen Randers

Chelsea Green Publishing Co. Paperback. Book Condition: new. BRAND NEW, 2052: A Global Forecast for the Next Forty Years, Jorgen Randers, We know what we want the world to be like in forty years. We know what the world could be like in forty years if we all did what needs to be done to create a more sustainable future. But what do we know about what the world will actually be like in forty years? Drawing on global forecasting tools, his own experience in the sustainability arena, and the predictions - included in the book - of more than thirty leading scientists, economists, futurists and other thinkers, Jorgen Randers guides us through the future he feels is most likely to emerge. He examines matters such as: * How many people will the planet need to support? * Will there be enough food and energy? * Will youth revolt under the debt and pension burden of the old? * Which nations will prosper and which will suffer? * Will the race toward renewables succeed? * Will the belief in endless growth crumble? * How will megacities evolve and human communication change? * Will the shift to Chinese economic superiority be...
