

Critical Thinking

By Tracy Bowell

Taylor & Francis Ltd, 2014. Paperback. Book Condition: New. 4th Revised edition. 17.4 x 24.6 cm. Critical thinking: a concise guide is a much-needed guide to argument analysis and a clear introduction to thinking clearly and rationally for oneself. Through precise and accessible discussion this book equips students with the essential skills required to tell a good argument from a bad one. This third edition has been revised and updated throughout, with new exercises, and up-to-date topical examples, including: "real-world" arguments; practical reasoning; understanding quantitative data, statistics, and the rhetoric used about them; scientific reasoning; and expanded discussion of conditionals, ambiguity, vagueness, slippery slope arguments, and arguments by analogy. Our orders are sent from our warehouse locally or directly from our international distributors to allow us to offer you the best possible price and delivery time. Book.
